## Teil III.2

Es gibt sicher noch mehr Möglichkeiten...

a)

My special talent is that I am a good singer. I always was good at singing. I really like it. Two years ago I looked for a band. My friends and I now play in a band together. When I am sad sometimes I start singing and then I feel better. Our band plays (practices/rehearses) three times a week. That can be stressing sometimes. At the weekend we can play in the school club. I would like to become famous in the future.

b)

My star is a famous cook: It is Jamie Oliver. He is from the south of England. He is special because he can cook. I like cooking, too and I cook a lot at home. I have cooked a few of his meals and they are really delicious (good/cool). He shows easy to cook meals and you don't have to cook a very long time. I would really like to meet him. I have only seen his shows on TV.

c)

My hometown is Leipzig. Leipzig is the largest town in Saxony. It has some 500.000 people. There are many famous sights, e.g. the Thomaskirche, a church, or the Gewandhaus, a music hall. Many famous people lived and worked in Leipzig. There is Johann Sebastian Bach or Richard Wagner. In the city centre there are really cool restaurants and shopping centres. We have also many beautiful parks. Young people can enjoy (go to) discos or can play in a club.
